

En Hillbo trabajamos cada día con pasión y dedicación para superar las expectativas de nuestros clientes. Te presentamos este catálogo repleto de novedades: diseños clásicos, modernos y originales, pensados para inspirar tus creaciones.

Nos esforzamos por innovar continuamente, incorporando tecnología de vanguardia y garantizando los más altos estándares de calidad, tanto en nuestras materias primas como en los procesos de producción.

Nuestro principal objetivo es ofrecerte productos excepcionales, un servicio impecable y la mejor calidad en cada detalle.

At Hillbo, we work every day with passion and dedication to exceed our customers' expectations. We present to you this catalog filled with new designs: classic, modern, and original, all created to inspire your creations.

We strive to innovate continuously, incorporating the latest technology and ensuring the highest quality standards in both our raw materials and production processes.

Our main goal is to offer you exceptional products, impeccable service, and the best quality in every detail.

Transfers

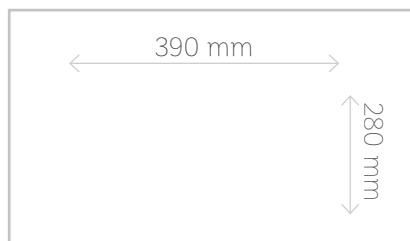

SHEETS

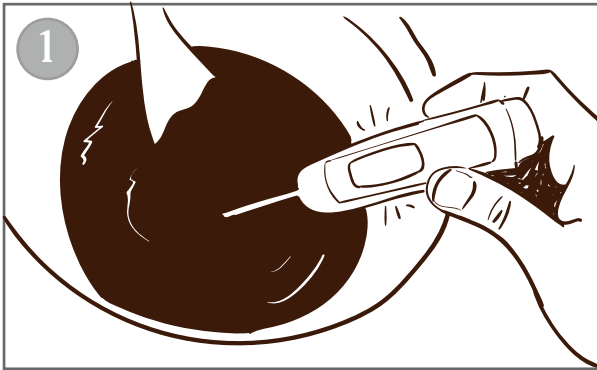

Un transfer para chocolate es una lámina en la que se imprimen motivos decorativos aptos para el consumo. Con ello puedes dar acabados profesionales a bombones, galletas, tartas, pasteles, etc...

A transfer for chocolate is a sheet on which decorative motifs suitable for consumption are printed. With this you can give professional finishes to chocolates, cookies, cakes, pastries, etc...

Nuestras láminas tienen una medida de 390 mm x 280 mm.

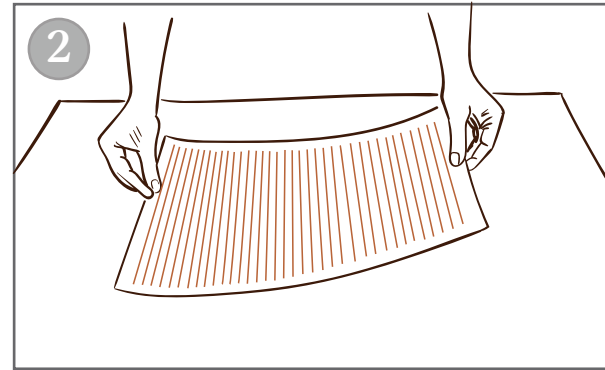

Our sheets measure 390 mm x 280 mm.

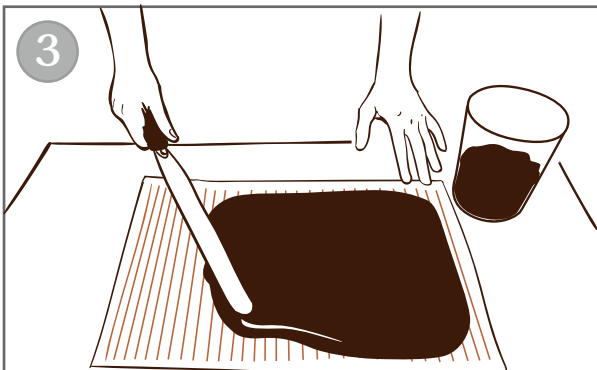

Utilizar chocolate atemperado.

Use tempered chocolate

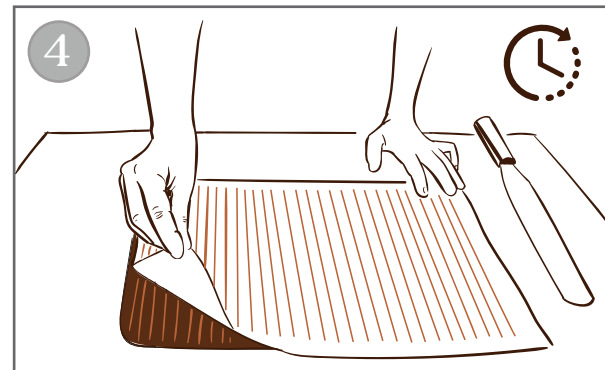

Colocar la lámina sobre una superficie lisa.
La superficie debe estar entre 22° C y 25° C.

Place the sheets on a smooth surface.
The surface must be between 22° C and 25° C.

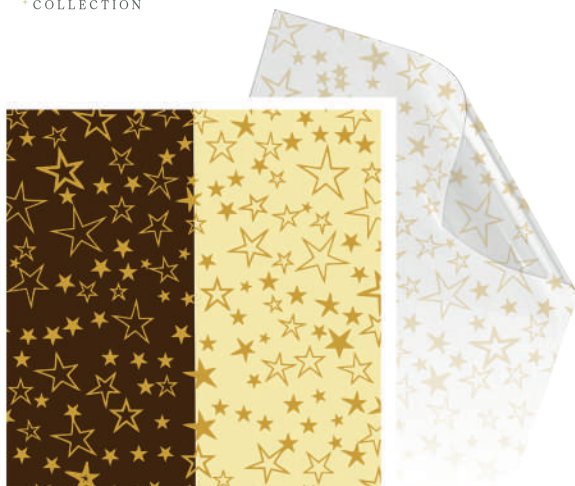

Aplicar una fina capa de chocolate
atemperado sobre la parte impresa.

Apply a thin layer of tempered chocolate over the
printed side.

Una vez sólido, voltear y retirar la lámina
cuidadosamente.

Once chocolate is solid, turn and remove the sheets
carefully.
